

UPDATE

March 2008

Through the efforts of paramedics in Los Angeles County, FAST-MAG is eagerly awaiting another milestone, 500 patients enrolled! The current total stands at 494 patients. Since our last "Update" in January 2008, 31 new patients have been enrolled, with 20 in the month of February alone. Again, we thank all paramedics who made a call to the enrolling physician. Every call, whether it results in an enrollment or not, is vital to the success of this study. Your efforts on behalf of each and every potential FAST-MAG patient continue to make a difference and are greatly appreciated!
